June 22, 2018

PSWID is pleased to announce that water restrictions for Pine and Strawberry has been rescinded. Although we are lifting these restrictions we encourage you to continue to use water conservation methods whenever possible. We appreciate your efforts in monitoring and reducing water usage during this time. We will continue to monitor our wells/tanks to ensure there is safe and adequate supply of water for you, our customers. Thank you for your understanding and cooperation during these demanding times.

Regards,  
PSWID Chairman and Board
