

Board Action Item

MEETING DATE:	12/20/2018
AGENDA ITEM:	5 A
PRESENTER:	Bob Arbuthnot
SUBJECT:	Chairman's report

1. Submitted the victim's statement for the Michael Greer sentencing to the Gila County Probation Department. I will be attending the sentencing hearing on Monday, January 14, 2019, at 1:30 PM in Payson.
2. The Rebecca Sigeti case has no new developments since the scheduling of jury selection on April 2, 2019. There will probably be a settlement hearing prior to jury selection unless Ms. Sigeti wishes to have a jury trial.
3. As directed by the Board I had 2 memorial plaques of Thomas Weeks made by Black and Tan in Payson. One of the plaques is to be mounted here in the office and the other to be presented to Mrs. Kathy Weeks upon approval by the board. The total cost was \$140.00.
4. The WIFA meeting was scheduled for the morning of the 20th (board meeting day) so updates will be submitted separately.
5. I made an effort to keep this evenings agenda as short as possible as the Holiday is fast approaching. Member's agenda items will be addressed as soon as practical (next month).
