*"My neighbors felt sorry for me when they saw the different companies coming out to mark the gas, electric, and water lines before the backhoe began to dig up my yard. They said it must be terribly expensive and wanted to know how much all of it was going to cost. I was able to proudly say, nothing! My ServLine Line Protection offered by the utility covered the full amount! It paid \$1,575.00 to the plumber to replace 25-feet of my water line."*
